Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner initiated a call to the attorney of record for suggesting to incorporate allowable subject matters in dependent claims 22 and 23 into the independent claims 17 and 18 respectively. This incorporation would further outline the allowable subject matters of the claimed invention that the location of predetermined coefficients is predetermined in the last row prior of scanning DCT coefficients. The attorney of record agreed and authorized the examiner to write an examiner amendment for this application. .
